Commerce Sale

EDUCATION

◊ Student of HUFLIT (Ho Chi Minh City University of Foreign Languages and Information Technology)

Major : Software engineer
2022 - 2024

Relevant coursework: Operating Systems Architecture, C# Basic, Object Oriented Programming, Website Developer, Relational Database Design & SQL, Software Analyse & Design, Data Structures & Algorithms

PROJECT

◊ Tiệm ảnh màu lá (School website project)

Dec, 2021 - Jan, 2022

A service project for Photography, where we're offering our photography services, posting blogs and online photo gallery, ...

This was my first project that's highly graded from my tutor. Eventhough, it's still a static website.
